Jannelle Sullivan serves as the Director of Business Development at Funditc, where she plays a vital role as the first point of contact for those seeking skilled nursing or long-term care placement for patients or loved ones. With a healthcare career that began in 2015 at HCA Kingwood Medical Center, Jannelle has gained extensive experience across multiple clinical units, giving her a solid foundation in patient care and hospital operations.

In 2020, she transitioned into healthcare marketing—a move that revealed her natural talent for relationship-building and her passion for serving the senior community. Since then, Jannelle has become a trusted advocate for families and healthcare professionals alike, helping connect individuals with high-quality care options across the Greater Houston area.

Known for her vibrant personality and genuine enthusiasm, Jannelle thrives in her role, bringing energy, empathy, and professionalism to every interaction. Her deep understanding of both skilled and long-term care needs allows her to guide clients through the placement process with confidence and compassion.

Jannelle supports a wide range of payment options, including Medicaid, Medicaid Pending, Medicare, Respite, Private Pay, and most major insurance plans. She takes pride in ensuring every referral is met with top-notch quality care tailored to each patient's needs.
