Maria Perez serves as the Marketing Director for Fall Creek Rehabilitation and Healthcare Center, a skilled nursing facility dedicated to providing both short-term rehabilitation and long-term care.

Fall Creek is known for its thoughtful design, including two nursing stations for direct sight access, an expansive rehabilitation gym, oversized private rooms, and a welcoming enclosed courtyard—creating a comfortable, home-like environment for residents.

With more than 20 years of experience in the medical field, Maria brings deep knowledge, professionalism, and compassion to her role. She is a strong-willed, goal-oriented leader who is driven by a positive work ethic and a genuine commitment to supporting patients, residents, and their families. Her ability to remain focused and organized, even under pressure, has made her a trusted partner in coordinating care and ensuring exceptional outcomes.
