Rose Madison is an accomplished Healthcare Executive with over 20 years of leadership experience in healthcare administration and operations management. She holds a Bachelor's Degree in Psychology and a Master's Degree in Gerontology from the University of Louisiana Monroe, equipping her with a strong foundation to lead organizations in an ever-evolving healthcare landscape.

Throughout her career, Rose has held key leadership roles, including Administrator, Regional Director of Operations, and Vice President of Operations, overseeing up to 17 facilities across Texas. She has consistently demonstrated expertise in strategic planning, regulatory compliance, budget management, and operational excellence, driving measurable improvements in service delivery, patient satisfaction, and financial performance.

As Director of Operations at Access Business Management, Rose leverages her extensive industry connections and consulting expertise to guide healthcare agencies across Texas. She provides strategic insights, operational support, and leadership development to help organizations achieve compliance, strengthen performance, and deliver quality care.

In addition to her executive roles, Rose is a Licensed Nursing Facility Administrator and an active board member of the National Association of Long-Term Care Administrator Boards (NCERS), where she helps evaluate continuing education programs to ensure high standards of quality in long-term care.

Her commitment to compassionate care, operational innovation, and leadership excellence continues to empower healthcare organizations to thrive and deliver exceptional outcomes
