Mercedes Mendoza is a Case Manager with Humble Area Assistance Ministries, where she has dedicated the past three years to supporting seniors and families in need. Guided by her passion for helping others, Mercedes brings compassion, professionalism, and a strong commitment to service to every individual she assists.

Before joining Humble Area Assistance Ministries, Mercedes gained valuable experience working with Harris County Hospital District and Catholic Charities, where she developed a deep understanding of community resources and senior care. Her background has equipped her with the skills to connect individuals with the support they need to thrive.

Outside of her work, Mercedes enjoys traveling and exploring different cultures, always seeking to broaden her perspective and deepen her connections with people from all walks of life.
