Cristina Havlik serves as Director of Marketing and Business Development at AM/PM EMS, where she has dedicated the past five years to advancing patient care through strategic outreach and relationship-building.

With a year of involvement in Serving Houston Seniors, Cristina has focused on supporting older adults by ensuring access to high-quality care that preserves dignity and promotes independence.

Her passion for healthcare stems from a lifelong desire to help people when they need it most. Combining personal dedication with professional expertise, Cristina plays a key role in growing AM/PM EMS's presence while connecting patients, families, and providers to services designed to improve outcomes and quality of life.
