S.H.I.N.E Benefits is an Agency focusing on Medicare Advantage, Medicare Supplement plans, Prescription Drug Plans, Cancer Supplements, Individual health and Travel Health coverage. Through strategic partnerships with many of the nation's leading insurance carriers, S.H.I.N.E Benefits is able to match clients with plans that best align with their individual medical needs and personal preferences.

The team is committed to providing complimentary one-on-one consultations, leading community education efforts, and fostering strong provider relationships. Their focus is on advocacy, ensuring that seniors and their support systems are empowered with the knowledge and resources needed to make informed healthcare decisions. Daintee and her team are proud to serve as trusted advisors for educational and outreach events within the community. Her mission is to educate Medicare beneficiaries on their available options and guide them toward the most appropriate coverage for their unique circumstances.

With a deep understanding of Medicare policy and ongoing industry changes, Daintee is a highly knowledgeable and reliable referral partner. She is known for her attention to detail, unwavering integrity, and solution-oriented approach. Daintee consistently delivers results and ensures that every task she undertakes is executed with excellence.
