---

Jennifer Sheridan is an accomplished real estate professional with Keller Williams, recognized for her dedication to clients, leadership in the industry, and unwavering commitment to community service. She is a member of the Agent Leadership Council (ALC), Chair of the Finance Committee, and contributes regularly to the growth of new agents in her local market center.

Jennifer is actively involved in several prominent real estate organizations, including the Asian Real Estate Association of America (since 2018), the Women's Council of Realtors (since 2020), the Houston Association of Realtors, and the National Association of Realtors. Her leadership extends beyond the industry into her community. Jennifer has held various positions on boards throughout the community; including her local HOA, school organizations, etc.

Rooted in a story of perseverance and self-discovery, Jennifer brings both transparency and heart to every real estate journey. Her Filipino-American heritage, strong family values, and deep ties to the military community through Blue Star Moms and the VFW guide her purpose: to lead with compassion and serve with soul.

Having lived in Northeast Houston for over 25 years, Jennifer brings not only deep market knowledge but also a personal connection to the communities she serves. Her approach to real estate is marked by contagious enthusiasm, professionalism, and genuine care. Former colleagues describe her as someone who lights up a room with positivity and gets things done with diligence and grace.

Whether it's through helping families find their dream homes, supporting local swim teams, or simply showing up with tacos and a smile, Jennifer is building more than a business — she's building a legacy.
